Hello friends!

This is the first quarterly newsletter since I opened the shoppe last September. I am so excited that you are a part of it. As you can see, we have many activities planned, almost every weekend! This quarter of events there are some new things added that we haven't done yet, like our workshops. Also, a friendly reminder that you can request a private party with us. So, if you have an upcoming family gathering, birthday party, or you simply want to get a group of friends together for a fun time we are your place. The great part about a private event is that you not only get to select the image you will paint but you also have the choice of having your event at the Shoppe or a venue of your choice where we come to you!

I have been hard at work putting together our Spring Merchandise line that will be released on Spring Arts Walk, April 29th. Spring candles are coming out THIS week and there are tons of new scents. Each candle is hand poured into an eclectic tea cup or a piece of vintage glass. Additionally, if you bring back your glass piece we will show you a list of our available scents for you to choose from, and re-pour a new candle for you at a flat fee of \$6.00, per candle. We are also working hard to get out some new glycerin spring scented soaps, also made by yours truly. We have a lot of fun stuff planned for our customers during the Spring Arts Walk. We will be partnering with Charis Wineries and they will be on-sight at the Shoppe in our studio space doing a wine tasting.

Our coffee bar will also be open and we plan to have small snacks available for you. So be sure to stop by and try some local wines and grab a snack while you have a look around the Shoppe. We will also be giving away a free gift to every customer that purchases an item from some new merchandise line we are carrying in the Shoppe. Details on that deal will be available as the Arts Walk draws nearer, so keep an eye out on either Facebook or Instagram for posts with that information.

One last item I wanted to tell everyone about is that we are really seeking to grow and gain momentum at the Shoppe. In an effort to make this happen, we are asking our customers to write a review about their experience with us. When you come out to the shoppe, write a review in either Google or Facebook, show us your review, and we will give you 10% off of your purchase (this excludes Wise Owl & Dixie Belle Products). I hope that you are well, and I am so excited to continue to serve you through our Painting Parties and workshops as well as through our in-store offerings for your home and enjoyment. Stop by and see us soon! Our coffee bar is always available when you come out to the Shoppe.
